

How 'EMOTIONALLY-DEPRIVED' people see the world!

It's a 'BIG-BAD' WORLD:

'Separated' Relationships = Emotions 'Switched-off'

"A" = ABANDONED EXISTENCE

Here EMOTIONAL LIFE is "**stuck**" at zero.
The child has been DEPRIVED / REJECTED.
He / she has been denied love & disowned in terms of
'belonging / identity' (i.e. "there is no room in the Inn").

"B" = BETRAYED EXISTENCE

Here EMOTIONAL LIFE is "**stuck**" in default.
The child has suffered a painful TRAUMA.
There is a 'breach-of-trust', which leaves an on-going
life-long scar.

"C" = CONDEMNED EXISTENCE

Here EMOTIONAL LIFE is "**stuck**" in repression.
The child 'takes-on' the world & seeks to gain control
of people & events. 'MOB' rule becomes the name of the
game: 'Manipulation, Oppression, Bullying'

How 'EMOTIONALLY-AFFIRMED' people see the world!

It's a 'LOVEY-DOVEY' WORLD:

'Connected' Relationships = Emotions 'Switched-on'

"A" = AFFIRMED LIVING

Here EMOTIONAL LIFE is "**birthed & developed**"
to a basic level of passive participation.
The child is capable of experiencing the
normal joys & sorrows in life.

"B" = BLESSED LIVING

Here EMOTIONAL LIFE is "**birthed & developed**"
to a more active free-flow involvement.
The child is more aware his / her surroundings &
more expressive of appreciation.

"C" = CELEBRATED LIVING

Here EMOTIONAL LIFE is "**birthed & developed**"
to a more determined active engagement.
Life is to be lived "to-the-full" (John 10:10): so, we
'Gather-2-Gether' unto Him.
